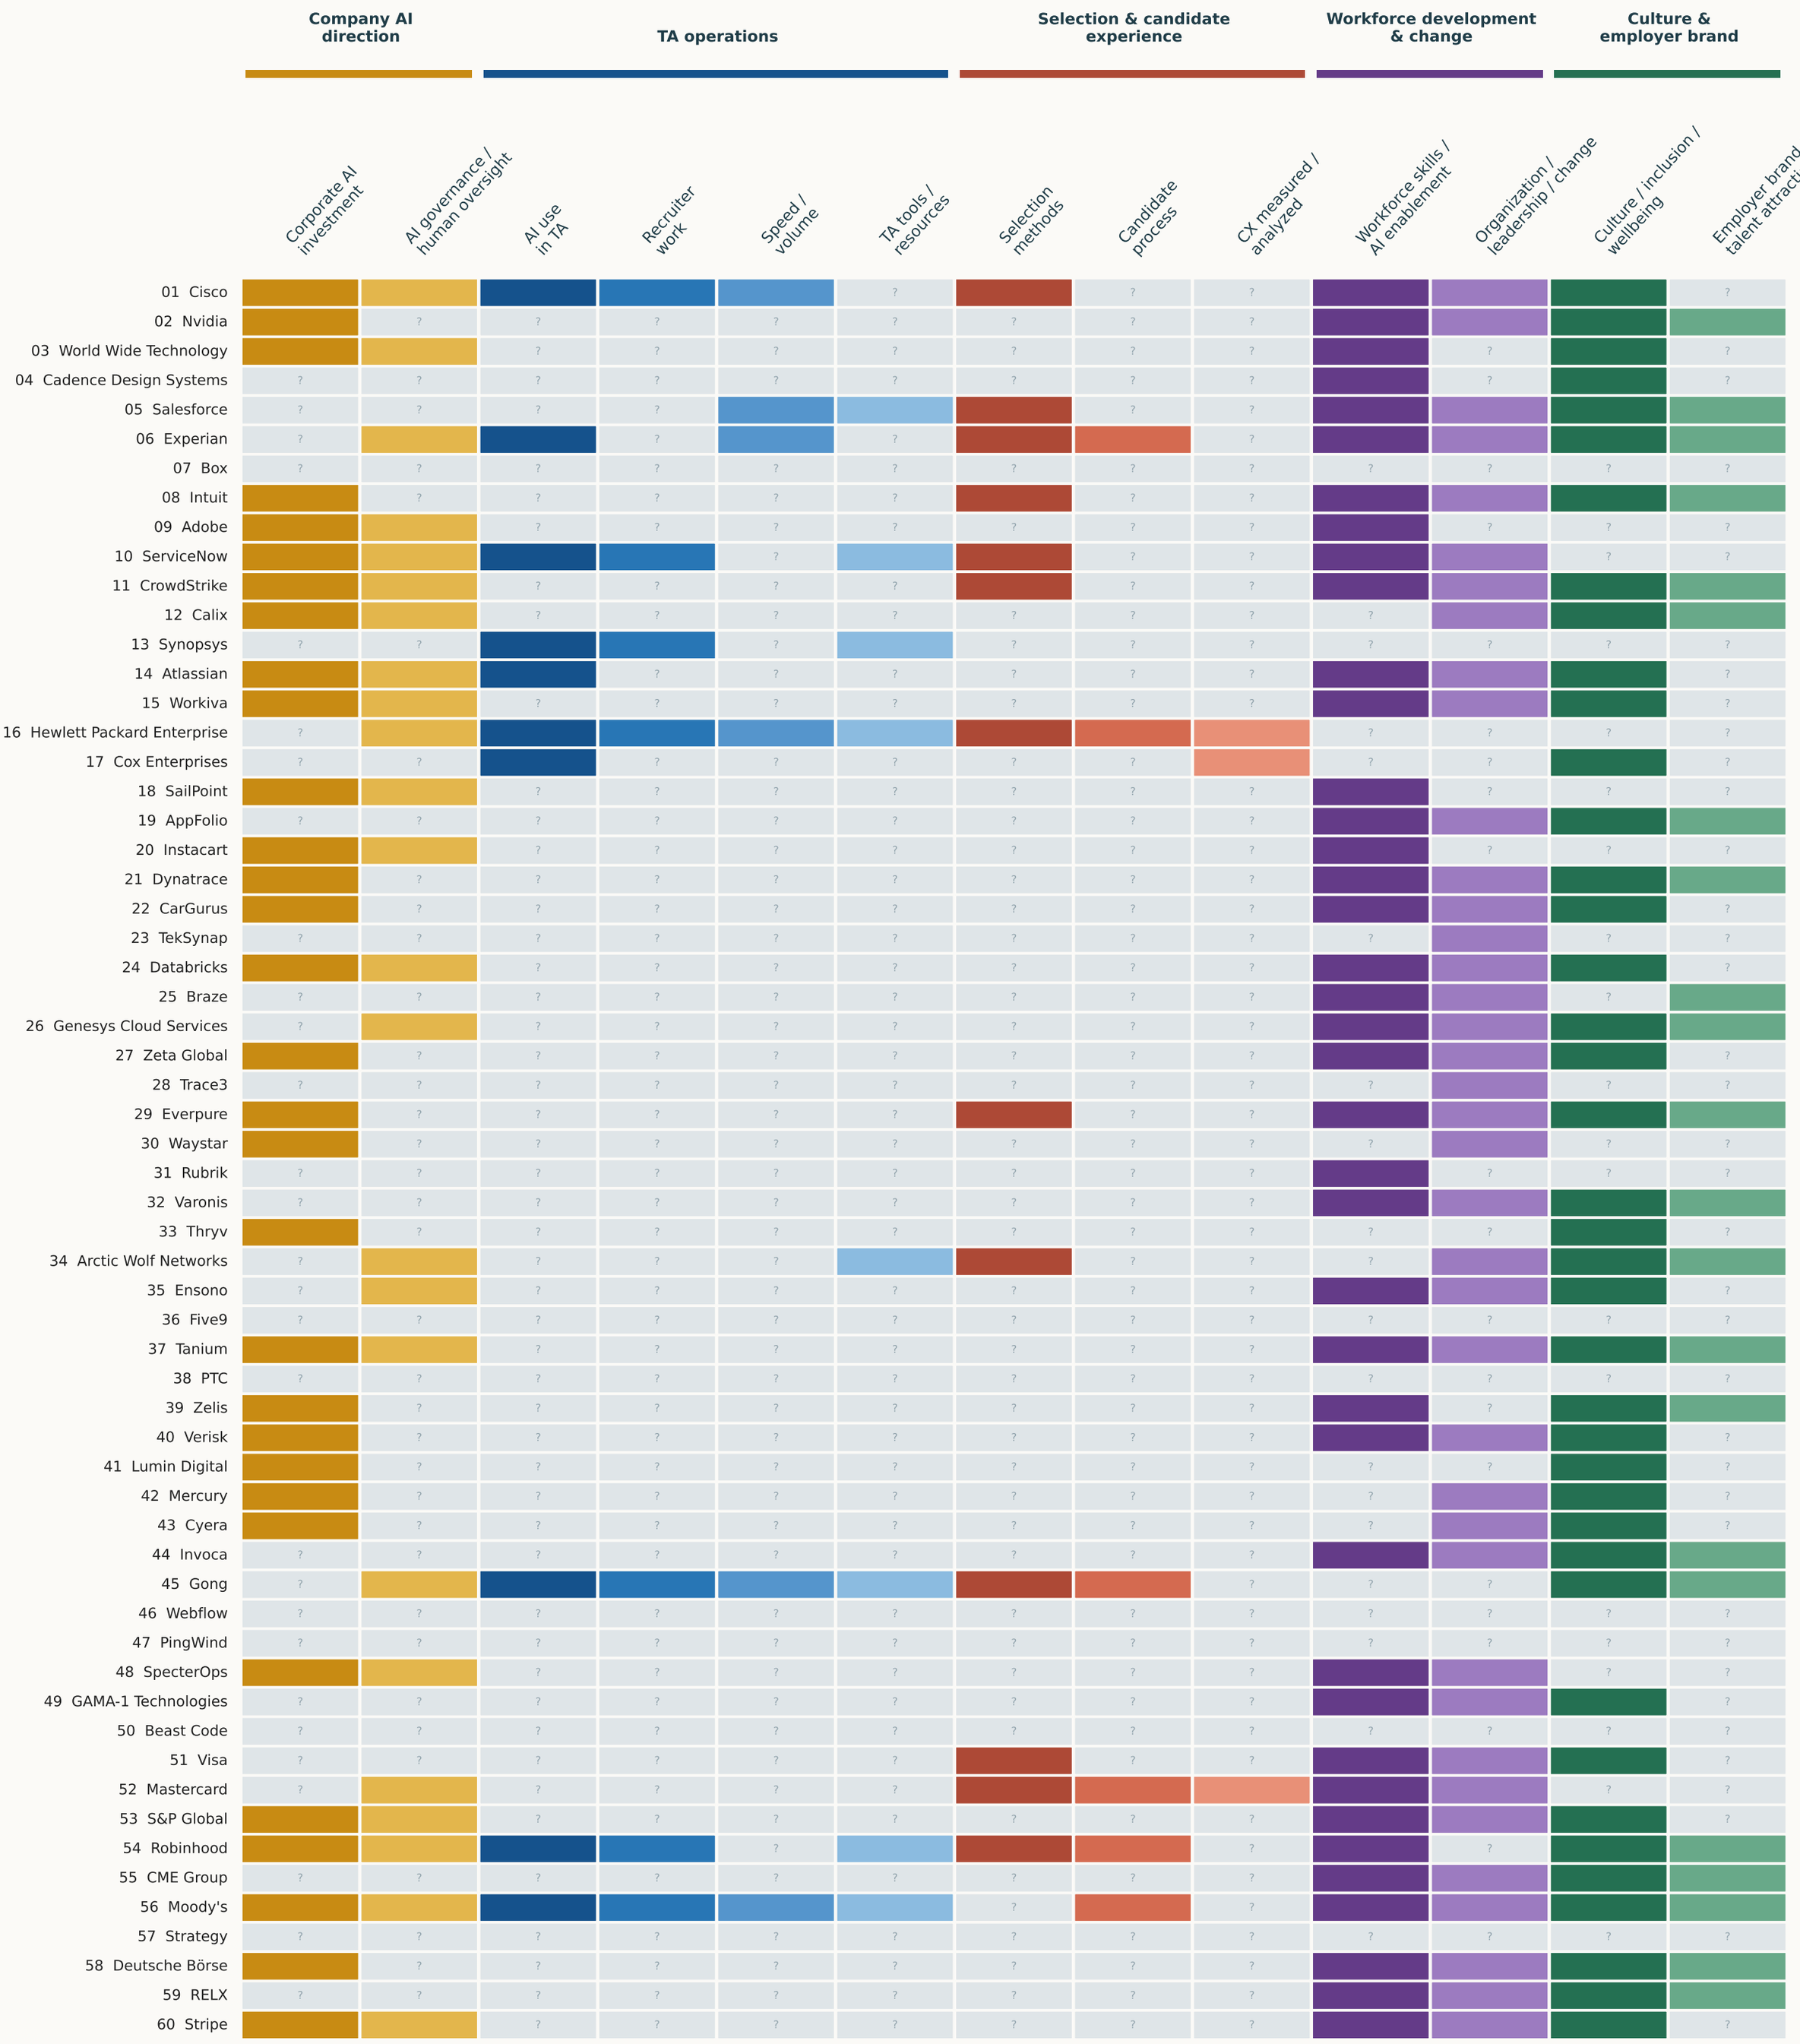
Topics covered in 2026 publications

60 companies × 13 categories = 780 positions · 249 supported · 531 unvalidated

A colored cell means a reviewed publication supports the topic. Gray ? means support was not established here.



Companies with coverage in at least one category: 53 of 60. Each company receives at most one mark per topic.

A mark can reflect a plan, pilot, practice, reported result or leadership discussion. It does not establish implementation or outcomes.

Publication window: January 1–October 29, 2026. Missing-category review: October 30. Unvalidated does not mean absent.
